APPEAL TO GRADUATES AND OTHERS.

FOR several years efforts have been made to collect materials for a biographical dictionary of Harvard College graduates. Of some it has not been possible to ascertain even the place and time of their birth and death; and of others there is absolutely nothing known but the name on the Triennial Catalogue. In many cases I have not been able to learn if there are any descendants or relatives to whom application can be made for information. In order that justice may be done, as far as possible, to all, and to obtain materials for a full biographical sketch of every graduate, I take the liberty respectfully, but urgently, to reiterate my appeal to the graduates, and other friends of the College, for answers to the accompanying questions respecting ancestors or relatives whose names may be on the Triennial, or any graduate who may ever have lived in the towns where they reside:—

1. Name of the graduate.
2. His father's occupation and name, with his mother's and her parents' names.
3. Place, year, month, and day of the graduate's birth.
4. Residences, occupations, journeys, and incidents before entering college, with their respective dates.
5. What first led him to think of going to college.
6. Places of study and teachers before entering college, with the dates.
7. When admitted to college.
8. Struggles in getting an education.
9. Incidents, tastes, and habits in college, with college prizes, honors, class appointments, &c.
10. Occupations and residences from the time of graduating, with the dates.
11. If he studied a profession, where, when, and with whom; if a clergyman, of what denomination, when and where settled; if a lawyer, when and where admitted to the bar.
12. All offices, honors, and titles, with the dates; all societies of which he was a member.
13. If married, when, to whom, the names of the wife's parents in full, and the place, time, &c. of her death, if deceased. If married more than once, the same information in regard to succeeding marriages.
14. Disease of which he died, with the circumstances, place, and day of his death.

15. Travels, incidents, hereditary tendencies, peculiarities, tastes, and particularly anecdotes illustrative of his habits and course of life, or which will give interest to a biographical sketch.
16. A full and exact title of every book or pamphlet written or edited, with notices of manuscripts left by him.
17. Genealogical details of his ancestors and descendants.
18. Obituaries, eulogies, or funeral sermons respecting him.

It is not supposed that all these questions are pertinent to every graduate, or that there is any case in which all of them can be answered; but it will be gratifying to receive a reply, though it be in answer to only one of the questions, and relating to but one person. At the same time, no communication, though it should cover many pages, can be too long or too minute.

It is also very important in *all* cases to have the Christian and middle names written in full, and to have as many dates as possible. The dates, in addition to the year, should always contain the month, and the day of the month, whenever they can be ascertained.

The value of the communications will depend on their accuracy. The sources from which much of the desired information may be derived are town, church, probate, and family records, deeds, newspapers, interleaved almanacs, manuscript diaries, and inscriptions on gravestones and monuments.

As all the graduates are supposed to have an interest in the projected work, and it is impossible to accomplish it without co-operation, it is hoped that no one will fail to make a reply to this appeal.

Answers from graduates in relation to themselves are also respectfully solicited, as they are more likely to be full and correct than if given by others after their decease.

Deaths should be immediately reported to the editor of the Triennial, by the class-secretaries and others, as the graduates are so numerous and widely scattered that, with the greatest care, there may be many omissions and mistakes.

I may add, that I am desirous of obtaining the Triennials published before the year 1800, and particularly any one published on sheets before the year 1776, as the addition of the stars to the successive editions commonly furnishes an approximation to the dates of the deaths.

It is important that the communications be received as early as practicable. They may be addressed to
